

St Ayles Coastal Rowing Skiffs

HOUT BAY YACHT CLUB

HBYC has created a coastal rowing section at the club and we are able to offer rowing membership which includes use of a newly constructed St Ayles Coastal Rowing Skiff, plus full use of all the existing yacht club facilities.

This first skiff was been funded and constructed by existing HBYC members. As rowing membership grows, the plan is to build additional St Ayles Skiffs from club funds, with rowing members encouraged to participate in the construction process.

You are invited to join the rowing section by filling out the application form attached.

The crew for a St Ayles Skiff consists of 4 rowers and a cox. Through our Rowing Connector WhatsApp group, you will be able to book time slots to join other crew members, or set up your own time slot and invite others to join you.

The St Ayles Skiff is very easy to learn to row and tuition will happen mainly through a 'learn-by-doing' process. We endeavour to people's experience levels and create rowing sessions with different crews ... all women / all men / mixed / various age groupings.

Each rowing member will be expected to cox the skiff every fifth rowing outing he or she participates in. As a minimum, a qualified boat captain must be part of every crew. We will be offering cox and boat captain training.

We currently have organised rowing sessions on Wednesday afternoons, Thursday mornings and Saturday mornings. As a rowing member you are able to join an existing session or set up your own rowing crew and book other time slots. Each rowing session is typically 1-1.5 hours in duration.

Ultimately it is hoped that other St Ayles Skiff rowing clubs will be formed in South Africa and we will be able to compete on national basis.

Rowing membership is open to anyone 16 years of age or older on an individual basis. Family membership rates are not offered for the rowing section, as each member's fees, help to fund the construction of additional skiffs and staging of special events.

2019 HBYC Coastal Rowing Section fees

New member
